### A Casting Call for Model Pets

COURTESY PILLOWPILLOWPILLOW

It's not just the celebs that are getting camera time in Hollywood — more and more their pet pooches are stealing the spotlight. Paris Hilton's mini hounds have been snapped with the heiress at fashion shows, on shopping sprees and even on her holiday cards. Blake Lively, Sienna Miller and Katherine Heigl are among other stars often caught on film with their four-legged friends. Think your own pet deserves the limelight? Then check out pillowillowpillow.com's Pet Casting Call. Designer Aaron Stewart is looking for a little inspiration for his next line of animal puff pillows. Upload an image of your own pet and she might end up the model for his next design. [Click here](#) to learn more. Or [click here](#) to cuddle up with one of Pillow Pillow Pillow's past creations, from \$74.
